INTERSTATE COMMERCE COMMISSION

DECISION

MC 148105 Sub 9(b)

OVERLAND EXPRESS, INC.
Houston, TX

SERVICE DATE

NOV 19 1985

Decided: November 14, 1985

Notice of a grant of motor contract carrier authority in this proceeding was published in the ICC Register issue of September 24, 1985. Because of the unopposed status of this proceeding, the published grant of authority is now the final action of the Commission.

This decision does not constitute authority to operate. Operations may begin only following the issuance of a permit which will be issued once compliance is made with the following requirements which are explained in the Code of Federal Regulation:

It is ordered:

Applicant must comply with the requirements pertaining to the appropriate insurance coverage (49 CFR 1043), and the designation of agents upon whom process may be served (49 CFR 1044). Applicants for contract carriage of passengers must further comply with the requirements regarding the filing of tariffs or schedules (49 CFR 1312), or submit a petition seeking exemption of this requirement. Compliance with these requirements must be accomplished before the final authority will be issued.

By the Commission, Heber P. Hardy, Director, Office of Proceedings.

JAMES H. BAYNE
Secretary

(SEAL)

NOTE: The execution of contracts (49 CFR 1053) must be accomplished but it is unnecessary to file the contracts with the Commission.

Applicant may contact the nearest ICC Regional Office for assistance regarding compliance with these or other ICC requirements.
